

AUGUST 2018

1) Our August social gathering will take place on **Tuesday, August 28th at 6pm at Havana Rumba at Douglass Loop!** Ask for the Seneca Vista table! Hope to see you there!
Mark your calendar for future social events this fall: **Thursday, Sept. 27th at 6pm at The Fishery; Monday, Oct. 29th at 6pm at Dundee Tavern!**

2) **Our 2nd Annual Seneca Vista Picnic will take place Sunday, Sept. 16 at 5:30pm** on the Drayton side of the easement between Drayton & Landor! It will be a “zero waste” event (BYO plates, utensils) and a potluck. We will have door prizes and other fun to be had! Look for an email soon with a link to the Sign Up Genius website where you can indicate what you are bringing as a “dish to pass.” Flyers will also be distributed—please help us spread the word! Last year we had 60 neighbors gather and we are hoping for 70+ this year! Rain date is Sept. 23rd.

3) **Thanks to McCoy neighbor Kate Keller for donating a compost bin so we can launch our second neighborhood compost effort!** We will be finding the perfect location for it and then let you know. Meanwhile, please continue to use the large green compost bin off Drayton—watch this video to get in the know about that:

4) **A reminder: our city has kicked off the brand new Participatory Budgeting pilot program in which citizens like us will get to decide how \$75K (or more) will be spent to improve our neighborhood and District 8!** I am working with some folks at the city level to find some easy ways we can weigh in during the process via the association. Meanwhile, if you are interested, don't hesitate to sign up at the city-level website and jump right in! They are looking for citizens to be involved in every step of the process. Check out Brandon Coan's website about this project and how you can get connected: <https://louisvilleky.gov/government/metro-council-district-8/participatory-budgeting-district-8-spending-information>

If you're interested in representing Seneca Vista on this project, I'd love to know that, as well.

More updates next month about the neighborhood development plan and other topics! Additionally, we've got a few seats open on our association board of directors; be sure to email me if you want to learn more about that.
